

Picnic -

The little ones of *Buniyaad* were taken for a fun-filled picnic to Heritage Gardens, *Powai*. Children, Teachers and Volunteers arrived at the venue right on time... Soon the entire garden rang with the joyous laughter of the kids. Under the watchful eyes of the volunteers and the teachers, the kids scampered amongst the various rides of the park like swing-sets, slides, monkey bars, etc. Their excitement was so infectious that soon some teachers were to be seen going high on the swing sets with big smiles. Yummy eatables like *vada*, fruits and biscuits constantly replenished the kids' energy levels. Teachers then took the kids into the garden where they had some more fun playing games with one another. All in all, the kids had a great time amongst nature. After almost four hours of non-stop fun, kids were ready to go back to their homes with their tiny heads filled with wonderful memories of the day. Team *Buniyaad* thanks the Management of Heritage Gardens, *Hiranandani*, for facilitating a memorable day for the children.
